

SUPERANNUATION FOR OPTIMUM TEMPORARY EMPLOYEES

Please keep this form for your records if you choose Sunsuper as your nominated fund.

Now that you are an employee of Optimum Recruitment you will immediately become a member of Sunsuper Superannuation Fund (unless you specify an alternative complying fund on the accompanying Super Choice form). Sunsuper Superannuation is especially designed to suit the superannuation needs of people who work in the employment services industry on a temporary, contract or full-time basis.

Your employer's contributions are credited to an account in your name. Interest is credited to your account, and contribution tax and administration fees are deducted from it. Your super savings grow in Sunsuper until you retire or roll them over to another super fund.

Sunsuper will send you documentation directly. This documentation will include your membership number, information booklet, application form for insurance and the latest Trustee report.

All administration is handled by Sunsuper, therefore please contact them directly if you have any queries, require further information or wish to retire from the fund.

The number to call is: **13 11 84**

If you choose *Sunsuper Superannuation* as your default fund and wish to contact them, you will need to provide them with the below information:

NAME OF FUND: *Sunsuper Superannuation Fund*

EMPLOYER: **Optimum Recruitment**
